

OUR MISSION

To Enhance the way you envision and utilize your human capital with innovative solutions, growth strategies and services. We form strategic partnerships to provide the highest level of customer service. Our flexible and nimble approach is designed for growth and stability

HR | BIZZ
a human capital consulting firm

SOLUTIONS THAT WORK

HR | BIZZ Our consulting services are designed for growth and stability

We're a broad based consulting firm offering customized and flexible solutions. We understand employment as it relates to **EB-5 Visas**. In the **EB-5** space **HR | BIZZ** is a business partner able to perform a host of services from developing and writing job descriptions to helping with the "Job Creation Methodology" which "Job Center's" calculations are based upon.

Our follow-up process is designed to make sure your company remains compliant and profitable by implementing effective employment policies, procedures, rules, and guidelines.

BUSINESS DEVELOPMENT

We can support your business by properly utilizing your human capital. Business development means different things to different people. That's why for us we define business development as a method of utilizing your human capital to create a strategic advantage for your company. For us it's all about efficiency and effectiveness.

Our approach will help your company capture new business opportunities.

Our core function is **Human Resources** strategic | transactional | operational
